* All CPDs, approved by the Board from September 2014 up to the present, are available in English, French and Spanish. Also included, as available, are relevant supporting documents for each country – the costed evaluation plan (CEP), the United Nations Development Assistance Framework (UNDAF), as well as additional CPD-related documents from the previous programme cycle. The United Nations Sustainable Development Cooperation Frameworks (in final or draft form) are available on the UNSDG website, go to <https://unsdg.un.org/resources/executive-board-documents-sessions> or <https://unsdg.un.org/un-in-action/country-level?tab=countries-listing>

All CPDs approved by the Board before September 2014 are available in English. If a CPD was originally submitted in another United Nations official language, a final version is also available in that language. Also included, as available, is the summary results matrix (Matrix).
